# Planning to attend for success

---

## **#1 How Many People Want To Attend?**

We created a Sign-up Form for Youth Leaders to use! It will help with contacting the people interested in attending. You can access the Sign-up form in the Travel Pack located at [theuproar.org](http://theuproar.org)

## **#2 Figure Out The Cost For Each Person Traveling**

It's important to have your team contact different places to get the best deals. Gather a team to call for bus rentals and another for hotels. Calculate the total cost per person wanting to attend. Include the hotel fee, bus fee, parking and food. Remember that you can assign 4-5 people for each hotel room, lowering the cost for each person attending the event. We have room blocks in certain hotels that are posted in our page, the code is "uproar conference". There's only a certain amount of rooms make sure you book yours!

## **#3 Event Form / Permission Form**

We've provided a Permission and Medical Form for you to use for your group. You can access the forms in the Travel Pack located at [theuproar.org](http://theuproar.org)

## **#4** Packing List

Create a packing list with what to bring! A few things to include are clothing for 3 days, hygiene products, pillow, extra money, etc. This is a great way to make sure know one over packs for the trip.

## **#5** Set Deadlines For Each Deposit If Needed

It's important to make sure you receive the payments on time for the Conference, bus and hotel reservations. Assign a leader to keep track of the payments. A great software for this is Excel or Numbers!

## **#6** Finalize Hotel Reservations

## **#7** Collect Forms (Medical, Permission, etc.)

Make sure to collect these forms for those who are under 18 yrs. However, the medical forms should be completed by everyone attending the event. Scan the forms if you can for easy phone/ laptop access. Assign a Leader to track the forms and store them for safekeeping.

## **#8** Assign Leaders To Specific Tasks

As the event approaches it's important to assign your leaders to specific tasks. Assign leaders to make sure the bus ride doesn't get chaotic, and other leaders to be assigned to each hotel room. Your leaders will help with the supervision and issues that may come up during the event.

## **#9** Enjoy The Conference!
